I tried to get ahold of Mary today, but she's been really busy. She wrote me back saying she has time to talk tomorrow, so I will call her when I get in.

Have we heard whether Earthjustice has gotten ahold of their clients?

Subject: Update on Title VI Complaint against HDOA

Deborah:

I wanted to update you on the Title VI Complaint against Hawaii Department of Agriculture. We will be having a call with the complainant Earthjustice tomorrow. We expect to talk to them about the process as well as get into the substance of the complaint. I am keen to discuss what remedies they envision would resolve the complaint.

After the call with Earthjustice, ERECO will set up a call with HDOA and the Agribusiness Development Corporation.

Let me know if you have any questions
